BIKE RODEO!

Eastridge Wellness

We are excited to share with you the details of our third quarter wellness challenge, the *March Gladness Challenge*. It will be helping students learn about the impact of both choosing happiness for themselves and sharing it with others. During the week of February 27th, we are asking students to challenge themselves to take part in activities such as jamming to music, getting lost in a book, thinking positively, draw or color, volunteer, send nice notes, or show random kindness. We encourage you to take part in this along with your child. Students will be recording their results in class. Please do what you can to notice extra efforts the kids are making.

Wishing you well,
Eastridge Wellness Committee

Eastridge School Skate

Mark your calendars for the Eastridge School Skate at Skate Zone on Thursday, March 23rd from 6-8pm. Theme: Color Your World/ Tie Dye Night! Wear a colorful tie, tie dyed clothing, or even dye your hair!
