## Edible Car Night

February 16, 2017, 6:30-8pm

Eastridge PTO Edible Car Competition – Family evening event

Thursday, February 16, 2017

Families can build their own car made out of 100% edible ingredients and compete based on nutritional content, aesthetics, and performance. Cars will be raced down a ramp and evaluated for distance and ability to stay intact. All needed ingredients will be provided by Eastridge PTO. This is a family favorite!

We are seeking several adult volunteers – if interested, please contact Emily Dutter, (dutter.emily@gmail.com)

**Thank you!!!**

Hey Angel! What an amazing Recycle Light! Thank you so much!

I know, Bob! We recycled 7,000 pounds of light in 2016 resulting in \$3,000 for Eastridge! Scrap Central increased from \$20 per pound to \$3.50 per pound.

AGGRESSIVE! Couldn't have done it without the super support of Scrap Central Inc in Omaha! That amount includes a \$400 donation from SC!

Aggress! And let's not forget the Sustainability collection sites and of course, our FINESTRO volunteers!

10% of proceeds collected in \$204 go to Operation Warm! Plus SC donated an additional \$204 for a total of \$408 to the cause.
